

In an attempt to procure the best price, we would like to order our flyers in bulk for all of our programs through August of 2019.

There will be 36 designs. All will be full (4) color, one-sided on 70lb Coated Text, no bleeds.

14 of the designs will be half page flyers and the other 22 will be full page. All flyers will need to be separated by slip sheets. The slip sheets must be the full size of the flyer, not small tab sheets and all slip sheets must be brightly colored (easy to see), therefore easy for us to count out packs. Specifics of the counts are below.

If finished at the same time, the items will need to be delivered to our main office at 1901 North Forrest Street. There is no dock. Items do not have to be delivered all at once- they can be staggered and I am happy to provide staggered deadlines if necessary and can pick up if completion is staggered. The first 12 flyers need to be delivered by October 8th and I will mark those below with an asterisk. The rest are not needed until early November or later.

The number of flyers for each design is listed below.

Please submit all bids by COB on Monday, September 24th by email to jcatlett@vlpra.com. We will respond to your bid submission with an email stating that your bid has been received. If you do not receive a response to your bid within 24 hours, your bid has not been received and must be resubmitted. Anyone not submitting bids by COB on Monday, September 24th will be considered a no bid.
